OUR MISSION
The Heart & Vascular Interventional Services Department’s main focus is to provide a spectrum of diagnostic and interventional services in the management and prevention of cardiovascular disease, electrophysiology abnormalities, cerebral vascular disease and other diseases that adversely affect the vascular system.

Informational sessions to discuss the technological advances and trends in the Heart & Vascular Interventional Services Department will be presented by our expert Heart & Vascular physicians.

ACCREDITATION
Questions concerning CEU’s for this conference may be directed to Laura Dechant at: ldechant@christianacare.org.
